

SOUTHLAND INSURANCE TO RECEIVE “INVEST IN A WORLD CLASS WORKFORCE AWARD” AT LEAMINGTON CHAMBER EVENT

August 24, 2010

LEAMINGTON – Southland Insurance Brokers will be awarded the first ever “Invest in a World Class Workforce Award” at the 16th annual Business Excellence Awards presented by the Leamington Chamber of Commerce.

The award is sponsored by Workforce WindsorEssex and is designed to recognize a business that leads the way in preparing for future opportunities, invests in skills development and training, and provides career growth opportunities.

Southland Insurance has undertaken a number of initiatives to improve the morale and well-being of its employees.

On June 11, Bike to Work Day, Southland held a free barbecue for its employees, along with prizes handed out recognizing individuals who had gone above and beyond to improve their physical fitness.

Southland believes that a healthy, happy, fully engaged workforce is one of the key elements of long lasting success.
