

Cost Saving Tips

Home

- Install dead-bolts, alarm, window locks, security lights
- Review policy limits annually & value of car/home/possessions
- Maintain home with upgrades (roofing, wiring, plumbing)
- Ensure adequate coverage/replacement
- Ask about policy options
- Insure for the correct amount
- Insure your home only, not the land
- Install anti-theft devices

Auto

- Consult your broker before purchasing your next vehicle
- Place all vehicles on same policy
- Insure car and home with same company
- Ask about discounts, including paying premium in full
- Determine if your children can wait to get their licence
- Increase deductibles
- Drive carefully
- Stop smoking
- Carpool
